STILTZ HOME LIFTS

STILTZ DUO+

The Stiltz Duo+ is a compact, stylish home lift for two, fitting easily into small spaces like cupboards or stairwells. Its quiet, smooth ride and sleek design suit any interior, while installation is simple - no shaft or major building work needed. Powered by a standard socket, it's a smart, discreet way to add comfort, style, and independence to your home.

STILTZ TRIO+

The Stiltz Trio+ is a spacious home lift designed for easy access with wheelchairs, walking frames, or extra room. It carries up to three people with a wide entrance, ramp, and roomy cabin, all in a sleek, quiet, and energy-efficient design. Available in single-door and ThruCar versions, it's the perfect solution for comfort, safety, and independence at home.

WHY CHOOSE A STILTZ HOMELIFT?

The Stiltz Duo+ and Trio+ lifts offer a stylish, space-saving solution for moving between floors. Quiet and efficient, they run on a standard 13-amp socket and require no hydraulics or load-bearing walls. The Duo+ fits two people, while the larger Trio+ accommodates a wheelchair with added features like a ramp, wide entry, and automatic door. Both install quickly, usually in a day, and include remote controls and soft lighting for ease and comfort.

DESIGNED TO FIT PERFECTLY

The Stiltz Homelift is a stylish, space-saving solution designed to fit easily into your home, helping you move safely and effortlessly between floors. With a compact footprint and unique rail system, it can be installed almost anywhere. The Duo+ is ideal for two people, while the larger Trio+ is perfect for wheelchair users. Trusted by thousands worldwide, Stiltz lifts support independent living and come with a 12-month warranty, plus optional maintenance plans - making them a smart, long-term accessibility choice.
