

OUR MOST SPACE EFFICIENT HOME LIFT

Aritco HomeLift Compact Datasheet 2023

Sometimes great things come in small packages. Our most space-efficient lift, the Aritco HomeLift Compact, opens up a world of possibilities in homes that were previously considered too limited in space. With its modern design, customizable features, and connectivity, the home lift offers the advantages of being small combined with the ability to think big.

Aritco HomeLift Compact comes with a unique Aritco Scandinavian design; a sleek platform design including a DesignWall and control panel with integrated handrail, double doors and contemporary and flexible shaft glass solutions.

Aritco HomeLift Compact

Key features

The lift also serve you several customization possibilities. You can choose from more than 200 different colors, 2 different glass types, 8 different floorings and a DesignWall (backwall) with 8 different artworks. The lift is also connected digitally and via the SmartLift App the user can get valuable information about the status of the lift and when the lift needs service. The lift is also equipped with our SmartSafety system, with safety features, to meet all situations that can occur in a home, to prevent accidents.
